AN ELEVATE PROFESSIONAL DEVELOPMENT PROGRAM **SMART SALARY NEGOTIATIONS**

CLOSE THE PAY GAP!

Educate and empower your community to affirm their value & worth and to get the salary they deserve!

Give your community the tools they need to succeed!

Change starts on the local level with community outreach & advocacy programs that educate & empower individuals to affirm their value & worth. This customizable workshop is designed to teach participants the skills they need to succeed in negotiating a fair salary regardless of where they are in their career! With community programs that empower individuals to advocate for themselves, it is our goal to finally reach the vision of equal opportunity for all and finally close the gender and racial pay gap in our nation.

This empowering program will give participants the tools and insight to:

- ✓ Know your value
- ✓ Be confident during negotiations
- ✓ Take control of your career opportunities
- ✓ Be empowered to ask for what you want

Host a customizable workshop based on your community needs:

- Elevate will host instructor-led on-site or virtual workshop(s)
- Elevate will design all marketing & promotional materials, including sales fliers, email campaigns & social media templates
- Elevate will design course outline & workbook customized to your unique demographics and needs
