

HOW TO COMMUNICATE & COLLABORATE ON A TEAM

**COMMUNICATION
SKILLS**

Class Format:

On-site & Virtual

No matter who you are, no matter how powerful or productive you might be, you're nothing without a team behind you. An effective team will not only empower you and your project, but it will increase your abilities many times over. Teams have to work like a well-oiled machine if they are going to be productive. This training will help you communicate and collaborate with team members to get the results you need. This training is totally interactive. Participants will work in teams competing against each other using the dynamics of leadership, teamwork, communication, and collaboration. Through planned exercises and challenges, each team will compete against the other to complete the challenges.

IN THIS COURSE, YOU WILL:

- Master tools for fostering a collaborative environment
- Communication Essentials for effective collaboration
- Building work relationships that kick-start the collaborative process
- One-on-one vs. group collaborations: tactics and techniques for success
- Working through disagreements and conflicts
- Identifying diverse and difficult behaviors in both yourself and others
