LEARNING OBJECTIVES

- Develop strategic capabilities for developing talent in your team and coaching under-performers to success
- Utilize strategies to assess your team
- Identify and apply various levels of interventions
- Conducting effective mentoring/coaching sessions
- Discuss techniques for giving and receiving feedback
- Developing your own professional development plan

Elevate's Coaching & Mentoring C-Level training will provide participants with the information to become more decisive, capitalize on their team building skills, and to be a mentor to their teams.
