

HEALTH & HUMAN SERVICES

HOUSING BASED CASE MANAGEMENT

Fundamental Case Management
Components

In Elevate's ***Housing Based Case Management*** training, participants will learn the fundamentals and best practices for housing-based case management. They will be able to bridge the gap between the philosophy of why housing is important and how to provide effective case management. Learners will walk away with a better understanding of Housing Based Case Management and best practices to be effective and successful. This course is eligible for 3 CEU credit hours.

Class Format
On-site/virtual
