

UNUSUAL AND CRITICAL INCIDENT REPORT TRAINING

Recognize critical and unusual incidents & protocols to report them.

Critical Incident and Unusual Incident Reports are used to report any unusual incident and actions taken by Employees, Contractors, Subcontractors and Volunteer at your program. Learners will walk away with a better understanding of how to react to a critical or unusual incident and the steps necessary to file the proper report. This course is eligible for 3 CEU credit hours.

Class Format
On-site/virtual
