

LEADERSHIP THROUGH LIVING HISTORY

OVERVIEW

Leadership Through Living History is a multi-day interactive leadership retreat based on real-world situations taken from great moments in history. Learn practical lessons for success based on historical events, figures, and decisions that shaped our past and present.

CHALLENGES

- A rigid and bored leadership team
- Stagnated or institutionalized thinking
- A group in need of creative inspiration to tackle problems

OUTCOMES

- A morale boost for leadership
- Creative problem solving
- Renewed camaraderie between team members
- Greater appreciation of their position and for those working under them

DURATION: 1 - 10 Days

DELIVERY: Off-site Retreat, On-site, Virtual, Hybrid

MATERIALS: Workbook, Slides, Facilitator Guide, Assessments, Supplemental Reading

TAKE YOUR LEADERSHIP OFF-SITE

Thrill your leadership team with a once-in-a-lifetime retreat to one of the great historic locations of the world. This full-service program can be tailored to go anywhere and includes:

- **Off-site tours:** Battlefields, ruins, architectural marvels, natural wonders, and more...
- **Keynote speeches:** Industry experts, historians, and living history actors.
- **Transportation and accommodation:** We arrange meals, banquets, travel, local transportation, lodging, and documents.
- **Interactive lessons:** Our SMEs engage participants at every step of the journey. We ensure every milestone is an opportunity to learn by interacting with the past and each other.

CHOOSE YOUR HISTORY

We draw leadership lessons from any historic event. Choose from a ready-made program or let us customize one specifically for you.

BE SPECIFIC...

- The Battle of Gettysburg
- Caesar crossing the Rubicon
- Nelson Mandela and the anti-apartheid campaign
- Lee Kuan Yew's development of Singapore

OR GENERAL

- Simon Bolivar's liberation of South America
- Napoleon's conquest of Europe
- The rise and fall of Rome
- The Shogunate of Edo Japan

ENGAGE CREATIVE IMAGINATION

By putting themselves in the position of important figures at pivotal moments of history, your leadership team can begin to imagine the immense ramifications of their decisions. This helps them reflect on their own virtues and vices as leaders in the shadow of famous personalities at their most critical moments. In doing so they will become more grounded, engaged, and creative in their thinking.

Most importantly, the experience will be fun and memorable!

Prepare your workforce to meet **every** challenge.
